

**SATURDAY
15 SEPTEMBER**

World Plastic Attack Day

JOIN peaceful protests when you shop – give back the plastic! Thousands of us will #HandBackPlastic at supermarkets across 20+ countries.

PLEASE: Only offer back plastic you have just bought. Be polite, respectful, do not litter or block checkouts. Ask the shop, in advance, to accept back the waste. Take reusable bags/containers. Share the event on social media.

And don't forget to go out and help clean up litter in your neighbourhood for #WorldCleanUpDay!
